Newsletter Saved As an association we have been producing the Newsletter free of charge to the residents of Radbrook for nearly nine years. For the last few years the editing has been done by former secretary Debbie Richards, who has done a fantastic job. Regrettably Debbie will be resigning at the AGM because of work commitments. Fortunately one of our committee members, Ian Pritchard, has agreed to take on the role of editor. The committee is appealing for more people to collect or send in news and other items, someone to proof read before printing, people to count out newsletters for delivery, and people to help distribute the newsletters to the deliverers. If you can assist in any way, please let us know.

Regular events at the Community Centre include Line Dancing - Tuesday 5 – 7pm, Tai Chi - Tuesday afternoons 2–3 pm, and Wednesday 8.30–9.30pm, Children's Dance Classes – Wednesday 4-5pm, Beginners Aerobics - Thursday 6– 6.45 pm followed by Advanced Aerobics 7 –7.45pm and Yoga 7.45 – 8.30pm and Salsa dancing 8.45 – 10.30pm.

Musical Evening raises £270

The recent evening of musical entertainment held at the Community Centre was a resounding success with fantastic performances from all acts. Some of the entertainers are pictured right. In total the event raised £270 for Christian Aid. A cheque for this amount was presented to Co-Ordinator, Jane Newey, by committee members John and Dorothy Griffiths.

The next musical event will be the 'Proms' night featuring Shrewsbury Light Orchestra. Look out for details in future Newsletters.

Ryan Cycles 32 miles in London

Local resident, Ryan Wood, aged 10, cycled around 14 London bridges with his mother and an uncle to raise money for the Stroke Association. His journey included London Bridge and Westminster Bridge. On the Final 100m there was an almighty clap of thunder to which Ryan exclaimed “ At least we finished with a bang!”. Sponsorship is still open. Local man wins Election

Keith Roberts (Conservative) of Wybourne Road, Radbrook Green won the Copthorne Ward in the local elections on 3rd May. The Radbrook area comes under two wards, from Pembroke Way towards the Radbrook Road is the Copthorne Ward and those living nearer to Longden Road are in the Meole Brace Ward where Kath Owen comfortably regained her seat.

Protest Over Priory Parking

The residents of Priory Drive and Priory Ridge have mounted a protest campaign over the proposed use of The Priory School, Longden Road, for parking of up to 160 vehicles by Shrewsbury Town Football Club supporters on match days when the New Meadow opens.

The considered opinion of many of the residents is that any additional traffic and associated disruption is totally unwanted and unacceptable in an already fully developed residential area. Views from local residents regarding this issue should be directed in writing to the Shrewsbury & Atcham Borough Council by 8th June for consideration ahead of the next council meeting.
