Community Centre News

New Courses and Events for 2007 The committee are currently drawing up a list of possible new events and courses for this year. They include a comedy evening, a family quiz, a young people's talent contest, art classes, a whist drive, children's workshops, bingo, choir concert, musical evening, orchestral evening and flower arranging. If you wish to show your support for any of these ideas, please let the committee know.

Community Centre Information Booklet We would like to compile a booklet with details of all regular activities taking place at the centre. All user groups have been asked to send in a short description of what they do, details of who to contact and a suitable photograph.

Newsletter Deliverers Required We would appreciate any offer of help to deliver newsletters in the area when regular deliverers are either away on holiday or are unwell. Please contact us if you can help.

Community Fund (National Lottery) End of Year Report We have just completed and returned our year end report and it shows some amazing statistics. Not only have we met all the requirements of the Community Fund, we have surpassed our expectations threefold. We originally estimated that around 2,000 people would use the centre in its first year of opening. By our calculations we actually had over 6,130 visitors over the period and the facilities have been used by over 60 different organisations. We have also hosted 23 children's parties, 4 discos and 12 family celebrations.
